# MAKING HUMAN RIGHTS REAL

## education resources for older adults to be developed

The Erasmus+ funded "Two Moons" programme is pleased to launch its new website platform <https://twomoons.eu>. The web platform will support the delivery of the 2-year pan-European initiative aimed at improving older people's knowledge of their human rights as protected under the European Convention on Human Rights (ECHR) and the Convention on the Rights of People with Disabilities (CRPD); and by so doing empower them to safeguard their well-being. The process involves older people, social care professionals and community members in a collaborative creative process, providing older people with an opportunity to share their stories in print, audio and through documentary theatre.

The web-platform will feature news, blogs, project resources and updates, such as reports, policy briefs as well as opportunities for engagement e.g. events, workshops and face to face training sessions.

Older people and social care professionals will benefit from the resources and tools that will be developed and freely available over the next two years:

- A **Booklet** retelling the stories and experiences of incidents where older people have not had their rights met.
- A **Documentary Theatre and Talkback**, consisting of six dramatized monologues, to raise awareness among older people, their families, public bodies and wider community of situa-

tions where the rights of older people are not upheld.

- A **Guide** to hosting the "Two Moon Documentary Theater and Talkback".
- An **audio recording** of the six dramatized monologues for use in workshops and community radio.

The website will also facilitate the development of a pan-European network of key stakeholders including researchers, policy makers and older people by promoting tools, workshops and events to increase awareness and knowledge on human rights and how these rights should operate in practice.

---

The programme, currently in its first phase, is delivered in **partnership** with 5 European partners, namely Anziani e non solo (Italy), Asociatia HABILITAS - Centru de Resurse si Formare Profesionala (Romania), Empowering Old Age Coop VoiVa (Finland), The Gaiety School of Acting - The National Theatre School of Ireland (Ireland), Teatri d'Imbarco (Italy) under the leadership of Co-Creation Support CLG (Ireland).
